This is me writing tex for first time *hehe honestly. ok* CAPTILAISED  
 LETTEEGE this is underlined text. *italics* = **bold** whoowhoo This is writ-  
 ten in yellow. Do you like it now? This is other shade of grey ok last one. 600  
 nm light u see. woah. can mix colors as well. complement wtf here we are.  
 violets are blue indeed. just like your pp just like your balls. just like your dreams.  
 :) just like :)

center alignment using ragged2e package.
